

Wage subsidies and young enthusiastic interns with PaTH

If you are looking for staff, WISE Employment can work with you to design an internship placement for a young person at no cost to you. The internship is an opportunity to see how a young person would fit into your team and if they are suitable for employment within your business. Take this opportunity to be part of up-skilling Australia's youth and assist in lowering the current rise in youth unemployment rates.

What you need to know:

- You can host an intern from 4 to 12 weeks, as full time, part time or casual so long as they average at least 25 hours per week
- You will receive a payment of \$1000 to help with the costs of hosting your intern
- Interns hired through PaTH are covered by the Australian Government's insurance
- WISE Employment can assist the intern to participate in Employability Skills Training before commencement of the internship
- WISE Employment can assist with required work related and ongoing costs which may include transportation, work related clothing or uniform, training, industry specific licenses, job specific tools or equipment
- If you go on to hire an intern, you may be eligible to receive a Youth Bonus Wage subsidy of up to \$10,000
- WISE Employment can assist you every step of the way!
